The first edition of this book was published in 1983 as a response to a concern that few resources were available to the medical teacher wishing to gain a perspective on basic educational principles and their application to teaching. Its success led to revised editions published in 1987 and 1994.

~~A Handbook for Medical Teachers~~

The Complete Recovery Room Book has established itself as the definitive guide on how to establish, equip, staff, and administer this acute care unit. The five years since completion of the previous edition have seen many changes in anaesthetic and surgical techniques, which, in some cases, enable patients to have their operation and be discharged, whether on the same day, or the day after their surgery.
