In the first installment of the exciting Dragon Kingdom of Wrenly graphic novel series, the scarlet dragon Ruskin's bravery is put to the test when a curse threatens his kingdom. As the pampered pet dragon of the Prince of Wrenly, Ruskin has never known life beyond the walls of the palace. Until the day a young dragon from Crestwood comes to the palace to plead for help. An evil curse has been unleashed in Crestwood and threatens to destroy all of Wrenly. Ruskin has a choice to make: stay safe at home in the palace, or try to help save his kingdom. For Ruskin, there is no choice. He knows he has to try and help if he can. What Ruskin and his new dragon friends don't yet realize is that the curse was awoken for one reason only—to put Ruskin in harm's way. The mission to reverse the curse is far more dangerous than anyone realizes...in fact, it's seemingly impossible. Why is Ruskin the target of these shadowy forces? And how far is Ruskin willing to go to save his kingdom?

From Susan H. Kamei and Barry Denenberg, the award-winning author of *Ali: An American Champion*, comes an engaging new novel that narrates the oral history of Japanese incarceration during World War II, from the perspective of the young people affected. It's difficult to believe it happened here, in the Land of the Free: After the bombing of Pearl Harbor in 1941, the United States government imprisoned more than one hundred and twenty thousand Japanese Americans living on the Pacific Coast in desolate concentration camps until the end of World War II just because of their race. In this book, the voices of those who lived through this experience are wrapped around the story of their incarceration and illuminate the frightening reality of this dark period in American history. Many of them were children and young adults at the time. Now, more than ever, this book is needed for all who care about what it means to be an American.

Hidden beyond the swamps of Bogburb, this strange and ancient circle of stones was built by wizards before time began. Stories of great danger surround the mysterious monument. But when their dragon friend, Ruskin, falls under the Dream Portal's spell, Lucas and Clara will risk the legendary peril to save their dragon friend."--Publisher's description.
