The Liar in Your Life is a book that addresses lying from different aspects. It does talk thoroughly about the forms of lying we're usually accustomed to referring to as lying, but it also addresses other interesting forms of lying which may not be as harmful (Some are even necessary). It's a very interesting book discussing an interesting topic.

Compulsive liars can often make your life worse, and being able to tell who they are will make it easier to get them out of your life. Getting a compulsive liar out of your life will make you feel much better, just as getting rid of any other toxic person might do.

5 Ways To Unmask A Compulsive Liar

These people have made a habit out of lying. They have a lifestyle of deceit. These folks almost live in an a false reality that they have even come to believe. Crazy doctors call these people “delusional”. Sadly, I can speak from experience and being a liar can ruin your life and the lives of those around you. So, here are..

3 Hard Truths About Liars - The Daily Positive

For over 47 years of public life, Joe Biden has shown himself to have an irresistible propensity to lie. He has lied to his professors.

*'Joe Biden is a pathological liar' -
Washington Times*

A white liar is the most common type of liar, someone who tells untruths in everyday situations to make life a little easier. These lies are harmless, and sometimes even necessary. For example, complementing your mother's dinner even when you don't love it, or when a friend says "I love your dress!" but they don't really mean it. White lies are a good way to protect one's own feelings along with those of others.
