Your Loss, Our Cross *Till The Last Breath* Prelude 1.0 *Till The Last Breath*

When death is that close, will your heart skip a beat? Two patients are admitted to room no. 509. One is a brilliant nineteen-year-old medical student, suffering from an incurable, fatal disease. She counts every extra breath as a blessing. The other is a twenty-five-year-old drug addict whose organs are slowly giving up. He can't wait to get rid of his body. To him, the sooner the better. Two reputed doctors, fighting their own demons from the past, are trying everything to keep these two patients alive, even putting their medical licences at risk. These last days in the hospital change the two patients, their doctors and all the other people around them in ways they had never imagined. *Till the Last Breath* is a deeply sensitive story that reminds us what it means to be alive.

Years ago, I fell in love with a man named Maximilian Grant - tall, smooth talking, handsome as hell Maximilian Grant. He was my everything- a man who could do no wrong- but then he did the one thing he promised he'd never do: he broke my heart. Now, nearly four years later, I'm happily married to a man who has completely changed my life...but with my health hanging in the balance, I often wonder what his future entails, because I know there is a possibility that he'll have to live without me. John, my husband, is the love of my life, and I have never questioned our love...that is until my past comes knocking at the door. Every girl has that one guy-the one whom she can't seem to forget or completely let go of, no matter how toxic the relationship was, or how bad it ended. Well, this story is a little different. This is the story of how Maximilian Grant went from being my toxic first love, to the man who ultimately saves my life... and, trust me, this will not play out the way you think it will.

When Pihu and Dushyant are wheeled into room 509 of GKL Hospital, all they know is that their lives are in the worst possible moment. Pihu has an incurable, fatal disease, and Dushyant's reckless addiction has begun to shut down his organs. Their only hope is to put their lives in the hands of their brilliant doctors. All they know is that they are looking at a terrifying death coming for them. But will they find love along the way? If there is anyone who can even attempt to treat Pihu's impossible condition, it is Dr Arman Kashyap. However, Arman isn't the easiest doctor to work with and Dushyant, his other difficult case, knows this first hand. Has Pihu placed all her eggs in the wrong basket? In this introduction to Till the Last Breath . . ., Durjoy Datta's most compelling story, meet Pihu, Dushyant, Arman and Zarah, four people whose lives are about to change forever.

Who said love makes life lively, When love is the one that makes lives miserable too? Is it too difficult for two people to fall in love, irrespective of social boundaries? Or is it just too difficult for their families to approve of their relationship? Amaya and Raghav, inseparably in love with each other, fight their way through hard times to get their marriage approved. Lose your emotions to their heart-touching story and connect it to yours. As you read on, discover the weak points in your love life, so that you can make the most of it.

When Pihu and Dushyant are wheeled into room 509 of GKL Hospital, all they know is that their lives are in the worst possible moment. Pihu has an incurable, fatal disease, and Dushyant's reckless addiction has begun to shut down his organs. Their only hope is to put their lives in the hands of their brilliant doctors. All they know is that they are looking at a terrifying death coming for them. But will they find love along the way? If Pihu could diagnose herself with ALS, then she knows what lies ahead for her. But she also knows she has to do everything in her power-before her body gives up on her-to delay the very thing that could kill her. In the biggest race against time, will she manage to get what she wants? Read on to get a deeper glimpse into the lives of GKL Hospital's most peculiar patients and their doctors in this next instalment of Durjoy Datta's Till the Last Breath . . .

On January 22, 1994, two-year old Renee Goode played happily with her sisters and cousin, as the four of them enjoyed an impromptu "slumber party" at the home of her father, Shane Goode. The next day she was dead. The local medical examiner could not determine the cause of little Renee's death. But her mother Annette and grandmother Sharon were convinced she'd been murdered--and that they knew the identity of Renee's killer: her handsome father, Shane Goode, a manipulative, emotionally abusive man who displayed virtually no interest in Renee--until he took out a \$50,000 insurance policy on her life. With the help of a courageous female police investigator and Assistant DA, Sharon launched a case against Shane and had Renee's tiny coffin, lovingly filled with her favorite stuffed animals, exhumed from its final resting place. And her small corpse revealed what her grandmother had suspected all along: cold, calculating Shane Goode had murdered his own daughter to cash in on her death. To the Last Breath is the winner of the 1999 Edgar Award for Best Fact Crime.

"Juno Rushdan is the real deal. Every Last Breath is an electric combination of heart-stopping thriller and swoon-worthy romance."—LEXI BLAKE, New York Times bestselling author
48 hours 2 covert operatives 1 chance to get it right Maddox Kinkade is an expert at managing the impossible. Tasked with neutralizing a lethal bioweapon, she turns to the one person capable of helping her stop the threat of pandemic in time: the love of her life, back from the dead and mad as hell at her supposed betrayal. Recruiting Cole to save millions of lives may be harder than resisting the attraction still burning between them, but Maddox will do whatever it takes...even if it destroys her. When Maddox crashes back into Cole Matthews' life, he wants to fight back. He wants to hate her. But the crisis is too strong to ignore, and soon the two former lovers find themselves working side-by-side in a breakneck race to stop a world-class killer with a secret that could end everything. The clock is ticking. The Final Hour Series: Every Last Breath Nothing to Fear (coming August 2019) Until the End (coming early 2020) What People Are Saying About Juno Rushdan: "Tense and fulfilling. Settle back and savor this one."— STEVE BERRY, New York Times bestselling author "Fast-paced, intense, and sexy - a must-read romantic suspense!"—CYNTHIA EDEN, New York Times and USA Today bestselling author "A fast-paced, spine-tingling thriller you won't want to put down!"—LAURA GRIFFIN, New York Times bestselling author "An unputdownable thrill ride."—LEXI BLAKE, New York Times bestselling author "A romantic thriller that handily juggles emotional intensity and a heart-pounding, James Bond-ian adventure."—Kirkus

Protecting someone always comes at a cost. At the age of thirteen, Charlie Quinn's childhood came to an abrupt and devastating end. Two men, with a

grudge against her lawyer father, broke into her home—and after that shocking night, Charlie's world was never the same. Now a lawyer herself, Charlie has made it her mission to defend those with no one else to turn to. So when Flora Faulkner, a motherless teen, begs for help, Charlie is reminded of her own past, and is powerless to say no. But honor-student Flora is in far deeper trouble than Charlie could ever have anticipated. Soon she must ask herself: How far should she go to protect her client? And can she truly believe everything she is being told? Razor-sharp and lightning-fast, this electrifying story from the #1 international bestselling author will leave you breathless. And be sure to read Karin Slaughter's extraordinary new novel *The Good Daughter*—available August 22, 2017.

Sudden, extreme deaths have always fascinated us-- and now more than ever as athletes and travelers rise to the challenges of high-risk sports and journeys on the edge. In this spellbinding book, veteran travel and outdoor sports writer Peter Stark reenacts the dramas of what happens inside our bodies, our minds, and our souls when we push ourselves to the absolute limits of human endurance. Combining the adrenaline high of extreme sports with the startling facts of physiological reality, Stark narrates a series of outdoor adventure stories in which thrill can cross the line to mortal peril. Each death or brush with death is at once a suspense story, a cautionary tale, and a medical thriller. Stark describes in unforgettable detail exactly what goes through the mind of a cross-country skier as his body temperature plummets-- apathy at ninety-one degrees, stupor at ninety. He puts us inside the body of a doomed kayaker tumbling helplessly underwater for two minutes, five minutes, ten minutes. He conjures up the physiology of a snowboarder frantically trying not to panic as he consumes the tiny pocket of air trapped around his face under thousands of pounds of snow. These are among the dire situations that Stark transforms into harrowing accounts of how our bodies react to trauma, how reflexes and instinct compel us to fight back, and how, why, and when we let go of our will to live. In an increasingly tamed and homogenized world, risk is not only a means of escape but a path to spirituality. As Peter Stark writes, "You must try to understand death intimately and prepare yourself for death in order to live a full and satisfying life." In this fascinating, informative book, Stark reveals exactly what we're getting ourselves into when we choose to live-- and die-- at the extremes of endurance.

"This is a powerful tale of the triumph of love under extremely difficult conditions. " - Publishers Weekly At Leizer Bart's funeral, one of the mourners told his son Michael that the gravestone should include a reference to the Freedom Fighters of Nekamah, to honor his late father's involvement in the Jewish resistance movement in Vilna (now Vilnius), Lithuania, at the end of World War II. Michael had never heard his parents referenced as Freedom Fighters. Following his father's death, and with his mother in failing health, Michael embarked on a ten-year research project to find out more details about his parents' time in the Vilna ghetto, where they met, fell in love, and married, and about their activities as members of the Jewish resistance. *Until Our Last Breath* is the culmination of his research, and his parents' story of love and survival is seamlessly tied into the collective story of the Vilna ghetto, the partisans of Vilna, and the wider themes of world history. Zenia, Bart's mother, was born and raised in Vilna. Leizer fled there to escape the Nazi invasion of his hometown of Hrubieshov in Poland. They were married by one of the last remaining rabbis ninety days before the liquidation of the ghetto. Leizer was friends with Zionist leader Abba Kovner and became a member of the Vilna ghetto underground. Shortly before the total liquidation of the ghetto, Zenia and Leizer, along with about 120 members of the underground, were able to escape to the Rudnicki forest, about 25 miles away. They became part of the Jewish partisan fighting group led by Abba Kovner—known as the Avengers—which carried out sabotage missions against the Nazi army and eventually participated in the liberation of Vilna. *Until Our Last Breath* is intensely personal and painstakingly researched, a lasting memorial to the Jews of Vilna, including the resistance fighters and the author's family.
