Coach Jack Morris
was at a complete
loss. One week
after being hung in
effigy for leading
the beloved Lincoln
Lions to their

Access Free True Greatness

twenty-fourth straight defeat, Morris was bracing for the Jacktown Giants. Gians by name and by record, they were heralded as the best prep team Ohio had ever seen. Coach Morris was just waiting for the axe to fall. But something bizarre

Access Free True Greatness

happened when a stranger requested permission to deliver the

pregame pep talk.

With nothing to lose, Coach Morris agreed. No one could have predicted the result: A motivated team, fighting for pride, fighting for their town, fighting

Access Free True Greatness

for each other. Though just a fictional football story, The Pep Talk contains universal and inspirational words of truth that apply to every walk of life. Author Kevin Elko makes a living giving the same talk contained in these pages to corporations and

athletic teams
around the
country. Like the
characters in this
story, Elko's pep
talks have changed
lives and helped
drive teams to
national and world
championship
victories. Empower

The Inner Yoga of
Happiness is a step
by step journal of
awakening to a
transcendent,
steady state of
awareness, infused
with present and
boundaryless
happiness.

Sometimes the

right words make all the difference. A few months ago he was a high school football coach. Now Charlie Cristo is a cancer patient, battling not only an aggressive disease but also years of bitterness and disappointment. Then anonymous letters start

Access Free True Greatness

arriving from a source known only as The Sender. Lift your spirits. Work the process. Help one another. The short, wise counsel in the letters challenged Charlie Cristo to fight the disease ravaging his body and the anger threatening his soul. What will

Access Free True Greatness

you do with The
Sender's advice?

The author has

years; and has
been trained
extensively by

Siddha masters in
India and the
United States.

Education in the sciences has brought a measure of empiricism to the appreciation of eastern philosophy. Thus in this book you will find the practices, and orientation to meditation, driven by the veracity of the authors own experience.

Access Free True Greatness

Through meditation we begin to get glimpses of the stillness. With practice, the stillness enters us, and we begin to enjoy the spontaneous inner sense of serenity. Over time the stillness becomes the foundation of our perception and

Access Free True Greatness

We look out on the world from our peaceful presence. Once we know this as our Self we can be free of the anxiety, doubt, disappointment, and fear, just being the watcher. This is Deep Peace. It might come as a surprise that consciousness, the

Access Free True Greatness

Self, is the watcher of the mind. In this we can become the impartial witness of mental dramas, creating separation between the watcher and the chaos of ego. Fortunately, the mind begins to like the stillness, and the suffering evaporates due to

Access Free True Greatness

lack of interest. In
this we become
truly happy and
content.
