Turbulent means chaotic, disordered, characterized by conflict. A time of war is a turbulent time for a country. If your family moves and your parents get divorced, you might call that a turbulent period in your history.

turbulent - Dictionary Definition : Vocabulary.com

I created a life plan book, which is a powerful visual representation of what I want to achieve in my life. In that book, I break down my life into 7 core areas, a model that I originally learned from Tony Robbins. This is a great step when you are learning how to write a life plan. I have a vision and SMART goals for each area of my life: 1.
