sentential content for AP United States History is the heart of the textbook. The selection of this content is based on the review of past AP exams, the topic and content outlines suggested by the Advanced Placement U.S. History Development Committee, and the authors' experience teaching U.S. history on the AP and college levels.

United States History

There is no single answer to that question; every text comes with the emphases and biases of the author or authors. The reader should always be aware of the preferences and arguments of the author or authors, and be aware that no monographic text ...

General George Washington (1732-1799) was the first President of the United States of America under the US Constitution. He was elected in 1787 and again in 1792 and served as President from April ...

Answers about History of the United States

Summary. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

For a good, balanced overview of US history, I recommend *A Short History of the United States* by Robert V. Remini. It's about 400 pages. If you want some real depth, start reading the *Oxford History of the United States*. It's planned to be 12 volumes at roughly 800 pages each, for a total of around 10,000 pages.
