United States Army, Technical, Technical Bulletin, U.S. ...

From 1896 to 1929, the United States Department of War gave their publications a successive number, like other departments including the Department of Agriculture and Department of the Treasury. [citation needed] They were mostly (drill) regulations and other field manuals (as they were later called, when the War Department adopted the FM Field Manual numbering), but also collections of ...

United States Army Field Manuals are published by the United States Army's Army Publishing Directorate. As of 27 July 2007, some 542 field manuals were in use. They contain detailed information and how-tos for procedures important to soldiers serving in the field. They are usually available to the public at low cost or free electronically.
