The hilarious second novel, and Sunday Times No 1 Bestseller, from author of the smash hit Why Mummy Drinks.

Why Mommy Drinks is the brilliant novel from Gill Sims, the author of the online sensation Peter and Jane.

No.1 bestselling author Gill Sims is back with her eagerly awaited fourth and final Why Mummy novel.

Why Mummy Swears is the much anticipated new novel from Gill Sims, author of the hilarious Why Mummy Drinks and online sensation Peter and Jane. It's every parents' nightmare - the start of the school holidays - and instead of sitting in the sun, reading a book over a cold, crisp glass of Pinot Grigio, Mummy has two bored moppets to attend to. After frantically booking sports camps, child minder slots, not to mention time off work, Mummy is exhausted. But this is only the beginning... After being dragged to join the school's PTA in the new term by an annoyingly kind-spirited neighbour, Mummy is stuck with organising the Christmas Fayre and pleasing all the overly disapproving parents. In combination with getting to know her father's surprise new glamorous (and much younger) wife, and being forced to spend more time with her narcissistic mother, life isn't cutting her much of a break. What more could possibly happen?

The hilarious second novel, and Sunday Times No 1 Bestseller, from author of the smash hit Why Mummy Drinks.Monday, 25 JulyThe first day of the holidays. I suppose it could've been worse. I brightly announced that perhaps it might be a lovely idea to go to a stately home and learn about some history. As soon as we got there I remembered why I don't use the flipping National Trust membership - because National Trust properties are full of very precious and breakable items, and very precious and breakable items don't really mix with children, especially not small boys.Where I had envisaged childish faces glowing with wonder as they took in the treasures of our nation's illustrious past, we instead had me shouting 'Don't touch, DON'T TOUCH, FFS DON'T TOUCH!' while stoutly shod pensioners tutted disapprovingly and drafted angry letters to the Daily Mail in their heads.How many more days of the holiday are there?Welcome to Mummy's world...The Boy Child Peter is connected to his iPad by an umbilical cord, The Girl Child Jane is desperate to make her fortune as an Instagram lifestyle influencer, while Daddy is constantly off on exotic business trips...Mummy's marriage is feeling the strain, her kids are running wild and the house is steadily developing a forest of mould. Only Judy, the Proud and Noble Terrier, remains loyal as always.Mummy has also found herself a new challenge, working for a hot new tech start-up. But not only is she worrying if, at forty-two, she could actually get up off a bean bag with dignity, she's also somehow (accidentally) rebranded herself as a single party girl who works hard, plays hard and doesn't have to run out when the nanny calls in sick.Can Mummy keep up the facade while keeping her family afloat? Can she really get away with wearing 'comfy trousers' to work? And, more importantly, can she find the time to pour herself a large G+ T?Probably effing not.

Family begins with a capital eff. I'm wondering how many more f'cking 'phases' I have to endure before my children become civilised and functioning members of society? It seems like people have been telling me 'it's just a phase!' for the last fifteen bloody years. Not sleeping through the night is 'just a phase.' Potty training and the associated accidents 'is just a phase'. The tantrums of the terrible twos are 'just a phase'. The picky eating, the back chat, the obsessions. The toddler refusals to nap, the teenage inability to leave their beds before 1pm without a rocket being put up their arse. The endless singing of Frozen songs, the dabbing, the weeks where apparently making them wear pants was akin to child torture. All 'just phases!' When do the 'phases' end though? WHEN? Mummy dreams of a quirky rural cottage with roses around the door and chatty chickens in the garden. Life, as ever, is not going quite as she planned. Paxe, Oxo and Bisto turn out to be highly rambunctious, rather than merely chatty, and the roses have jaggy thorns. Her precious moppets are now giant teenagers, and instead of wittering at her about who would win in a fight - a dragon badger or a ninja horse - they are Snapchatting the night away, strolling around the tiny cottage and communicating mainly in grunts - except when they are demanding Ellen provides taxi services in the small hours. And there is never, but never, any milk in the house. At least the one thing they can all agree on is that rescued Barry the Wolfdog may indeed be The Ugliest Dog in the World, but he is also the loveliest.

An irreverent and impeccably researched defense of our dirtiest words. We ' re often told that swearing is outrageous or even offensive, that it ' s a sign of a stunted vocabulary or a limited intellect. Dictionaries have traditionally omitted it and parents forbid it. But the latest research by neuroscientists, psychologists, sociologists, and others has revealed that swear words, curses, and oaths—when used judiciously—can have surprising benefits. In this sparkling debut work of popular science, Emma Byrne examines the latest research to show how swearing can be good for you. With humor and colorful language, she explores every angle of swearing—why we do it, how we do it, and what it tells us about ourselves. Not only has some form of swearing existed since the earliest humans began to communicate, but it has been shown to reduce physical pain, to lower anxiety, to prevent physical violence, to help trauma victims recover language, and to promote human cooperation. Taking readers on a whirlwind tour through scientific experiments, historical case studies, and cutting-edge research on language in both humans and other primates, Byrne defends cursing and demonstrates how much it can reveal about different cultures, their taboos and their values. Packed with the results of unlikely and often hilarious scientific studies—from the " ice-bucket test " for coping with pain, to the connection between Tourette ' s and swearing, to a chimpanzee that curses at her handler in sign language—Swearing Is Good for You presents a lighthearted but convincing case for the foulmouthed.

Why Mommy Swears is the much anticipated new novel from Gill Sims, author of the hilarious Why Mommy Drinks and online sensation Peter and Jane. It's every parents' nightmare - the start of the school holidays - and instead of sitting in the sun, reading a book over a cold, crisp glass of Pinot Grigio, Mummy has two bored moppets to attend to. After frantically booking sports camps, child minder slots, not to mention time off work, Mummy is exhausted. But this is only the beginning... After being dragged to join the school's PTA in the new term by an annoyingly kind-spirited neighbour, Mummy is stuck with organising the Christmas Fayre and pleasing all the overly disapproving parents. In combination with getting to know her father's surprise new glamorous (and much younger) wife, and being forced to spend more time with her narcissistic mother, life isn't cutting her much of a break. What more could possibly happen?

Unmissable, hilarious and kind, this is the first novel from Kathryn Wallace, who blogs as I Know, I Need to Stop Talking "SAM! AVAI! Get downstairs, NOW. Have you done your TEETH? HAIR? SHOES? Come on, come on, come on, we're going to be bastarding late again. No, I haven't seen Lego Optimus Prime, and nor do I give a shit about his whereabouts. Sam, will you stop winding your sister up and take this model of the Shard that I painstakingly sat up and created for you last night so that I wouldn't be in trouble with your teacher. I mean, so that you wouldn't be in trouble with your teacher. No, it doesn't smell of 'dirty wine'. Well, maybe it does a little bit. Look, Sam, I haven't got time to argue. Just hold your nose and get in the car, okay? AVAI! TEETH! HAIR! SHOES!" Gemma is only just holding it together - she's a single parent, she's turning 40 and her seven-year-old daughter has drawn a cruelly accurate picture which locates Gemma's boobs somewhere around her knees. So when her new next-door neighbour, Becky, suggests that Gemma should start dating again, it takes a lot of self-control not to laugh in her face. But Becky is very persuasive and before long Gemma finds herself juggling a full-time job, the increasingly insane demands of the school mums' Facebook group and the tricky etiquette of a new dating world. Not only that, but Gemma has to manage her attraction to her daughter's teacher, Tom, who has swapped his life in the City for teaching thirty six to seven year olds spelling, grammar, basic fractions - and why it's not ok to call your classmate a stinky poo-bum... It's going to be a long year - and one in which Gemma and Becky will learn a really crucial lesson: that in the end, being a good parent is just about being good enough. Readers love this hilarious, fast paced slice of family life: ***** Utterly hysterical - NetGalley Reader ***** Brilliant... Funny, touching and modern... just amazing - NetGalley Reader ***** I have been a mum at the school gates and the observations in this book are spot on. I shall be recommending it to all the school mums I know - NetGalley Reader ***** A perfect read to snort with laughter over whilst lying in a bath with a glass of bubbles (if you can get the kids to stay out of the bathroom for long enough)! - NetGalley Reader ***** Kathryn Wallace has Absolutely Smashed It with this novel. I loved it and couldn't put it down... had me properly laughing out loud several times - NetGalley Reader **** This will make you giggle about life as a parent where we are all spinning plates of different sizes and at different speeds. I would recommend wholeheartedly to fellow friends who are also spinning their own plates! - NetGalley Reader ***** A hilariously, honest, open, recognisable and highly relatable story - NetGalley Reader ***** A light hearted but honest look at mummies, yummy mummies and can't quite manage everything mummies - NetGalley Reader
