What does it mean to be a 'limited' company? - Companies House

What is a Limited Liability Company? A limited liability company is one option a business has when it is choosing its legal structure, alongside other options like S corporations and sole proprietorships. The characteristics of the limited liability company include limited liability for the owners' assets—their liability is limited to their investment in the business. Income from a limited liability company passes through to owners.

Limited Liability Company: What Is It?

Limited liability is a legal status where a person's financial liability is limited to a fixed sum, most commonly the value of a person's investment in a corporation, company or partnership. If a company that provides limited liability to its investors is sued, then the claimants are generally entitled to collect only against the assets of the company, not the assets of its shareholders or ...

Limited liability - Wikipedia

Running your business as an LLC gives you limited liability for business debts (like a corporation) but allows you to avoid some of the legal formalities and tax rules that apply to corporations. It 's one of the most flexible—and efficient—ways small business owners can structure their business.

Your Limited Liability Company - An Operating Manual - Nolo

A limited company is classed as a separate entity to the directors/shareholders who are associated with it. If you are a director, you can be held liable if you have signed personal guarantees or operated a business which does not have the protection of limited liability, such as a traditional partnership.
